

Ham Radio Classes

Washington Amateur Communications (WACOM) will be holding an nine week basic electronic course where you can learn everything you need to earn your Technician (entry level) FCC **Amateur Radio License**. WACOM will also offer a class for the General Class License later in the year.

The Technician license is your gateway to serving your community and to also enjoy the world-wide excitement of Amateur Radio ... and now you do NOT need to learn Morse code!

Classes begin at 6:00 P.M.

February 27th & every Monday thru April 24th with the test on Wednesday April 26th 2017 at the South Strabane #1 VFD 1696 E. Maiden St. Washington, Pa 15301

*WACOM provides the classes for NO CHARGE, FREE...
The required study guide costs \$25, and can be provided.
Advance Registration is a good idea, not required*
